WORK EXPERIENCE

Seed Infotech (BIPARD Training Program)

SAP ABAP (Cloud RAP) Trainee

March 2026 - April 2026

- Learned basic SAP ABAP concepts and development environment.
- Worked on basic ABAP programs and data handling.
- Gained understanding of SAP application development fundamentals.

EDUCATION

Vidya Vihar Institute of Technology

Bachelor of Technology in Computer Science and Technology - 9.31

May 2022 - May 2026

PROJECTS

Power BI Interactive Sales Dashboard [🔗](#)

- **Scope:** Analyze sales performance and generate business insights
- **Tech:** Power BI, DAX, Data Modeling
- Built an interactive dashboard to visualize sales, profit, and regional performance
- Used filters, slicers, and drill-down for dynamic analysis
- Enabled data-driven decision-making and identified top-performing areas

AI-Based Weather Forecasting & Rain Prediction System [🔗](#)

- **Scope:** Predict weather conditions and rainfall probability
- **Tech:** Python, Pandas, Scikit-learn, Machine Learning
- Built an **ML-based model** to analyze weather data (temperature, humidity, pressure)
- Performed **data preprocessing and feature engineering** for prediction
- Improved **forecast accuracy** and supported better decision-making

AI Career Copilot (Resume Analyzer) [🔗](#)

- **Scope:** Analyze resumes to provide skill insights and career improvement suggestions
- **Tech Stack:** Python, Flask, SQLAlchemy
- Developed a web app to analyze resumes and generate career insights
- Implemented resume upload (PDF/DOCX) and text-based input
- Generated skills, missing skills, roadmap, and interview questions
- Integrated database to store user data and analysis reports

SKILLS

- **Programming & Tools:** Python, Git, Vs Code
- **AI/ML & Data Science :** Pandas, NumPy, Matplotlib, Machine Learning, NLP
- **Data Visualization:** Power BI, Excel
- **Data Base:** Microsoft SQL Server, MySQL
- **SAP ABAP (Cloud RAP):** CDS Views, Service Definition & Binding, Package, Table, Structure, Table Type, Class, OData Services

CERTIFICATE

Google Data Analytics Professional Certificate [🔗](#)

NPTEL Data Analytics with Python | IIT Roorkee | Top 5% 11000+ students [🔗](#)

NPTEL Operating System Fundamentals | IIT Kharagpur [🔗](#)

SAP ABAP Certified Seed Infotech (BIPARD TRAINING PROGRAM) [🔗](#)

AWARD

Academic Excellence Award

- Awarded for outstanding academic performance with an overall CGPA of 9.31 in B.Tech
- Maintained consistently strong academic performance throughout the program

Topper in NPTEL Certifications

- Ranked in the Top 5% (Data Analytics with Python)
